April 2010

Dear Parents,

Thank you for your interest in our program. Preschool registration for Anne Arundel County begins on April 6, 2010. We will take applications beginning on that date and will continue taking them until preschool begins in the fall. We have limited space available, so preschoolers will be accepted on a first come first serve basis. Once the program is full, we will begin a waiting list.

Applications may be dropped off in the main office of the high school and I will contact you to let you know that I have received it. The easiest way for us to communicate is through email, so if you have an email address please be sure to include it in the space provided in the application packet.

In order for your child to begin preschool in mid-October, their shots/immunizations record must be up to date. Please be sure that your child's completed shot record is filled out by your physician before the first day of school or they will not be able to attend. The following immunizations are required:

- 4 DTap
- 3 Polio
- 3 Hepatitis B
- 1 MMR
- 1 Hib
- 1 Varicella
- 1 Prevanar

Again, thank you for your interest in our program. We will have a parent orientation in the fall to let you know more specifics about our program. The cost is approx. \$70.00 for the year and the fee will be collected at the orientation in the fall.

Sincerely,

Susan Stawas
Child Development Teacher
