Sports Medicine, Health Professions*

Summer Reading Assignment

Students taking any of the courses listed above are to read an article about a health topic, sports injury, or health professional career. Then complete the attached article report form and submit to your teacher in the fall. We have listed some website that may be helpful in locating an article. Be sure to include a copy of the article that you read with your report.

Websites:

<http://www.wellness.com/>

<http://stopsportsinjuries.org/>

<http://www.usnews.com/money/careers>

<http://www.infoplease.com/health.html>

Please contact Ms. Kirk – [drkirk@aacps.org](mailto:drkirk@aacps.org) if you have any questions or need help with the assignment.
