

Name _____
Period _____ Teacher _____
SUBJECT _____

Summer Reading for Earth Space

ARTICLE JOURNAL FORM

Directions: You will read an article of 1 or more full pages. You will write a summary and a reaction keeping in mind that you need to show your teacher what you can do.

Fill out the following information completely.

Contact Ms. Williams if you need help with this assignment. ewilliams2@aacps.org

Publishing Information:

Author (ex. Associated Press): _____

Article Title (ex. "Tornadoes tear across Midwest"): _____

Magazine/Newspaper/Website (MSNBC): _____

Date of Publication/Copyright (March 13, 2006): _____

Website Address: _____

After you complete the publishing information for your article, complete a journal entry. Your journal should be two parts:

- ½ page **summary** of the article you just read.
- ½ page reaction to the article. You can answer any of the following questions or write your own:
 - What did you think?
 - What would you do
 - How did it relate to you? To the world? To the course?
 - Did it change your thinking in any way?

To receive full credit for this assignment (your first grade) you must do a complete job.
